Please continue reading: What is the purpose of this journal in this world full of anxiety, stress, depression, people forget to smile, and that's the exact reason to create this journal. We want people to smile and be happy. We created this journal to do all those things which the world will tell you not to do: things like throwing this journal out of the window, frying it in the pan, crumbling it into pieces, beating it with a stick, just for the sake of that little moment of happiness. Believe it or not, we all enjoy destroying things, and that's the principle behind this journal. How to use this journal: first of all, think of it as your greatest enemy or the person you dislike most and want to beat them badly. Now start with very first activity like in this journal: the activity is "crumble this page" so you have to cut that page and then tear it into small pieces. Don't just tear it, think of it as your enemy and you're tearing them apart, and believe me, you'll feel the pleasure you have never felt in your life. Remember: always use this negative power with this journal, not in the real world. Whenever you feel bored or unhappy again, open this journal and move to next activity for whom this will be a perfect fit, as everyone enjoys destroying things, and destroying this journal has no real effects, so this will be a perfect fit for everyone who wants to be happy and enjoy the life.
